DETAILED ACTION

1. Claims 43-62 are pending. Applicant cancelled claims 1-42.

Claim Rejections - 35 USC § 103

2. Claims 43-62 are rejected under 35 U.S.C. 103(a) as being unpatentable over Verderamo et al., US 6,230,145.

Verderamo discloses receiving information and processing the information, e.g. host 16, generating an information report, e.g. Figs. 34-36, and transmitting the information report to a communication device, e.g. col. 2, lines 40-50. Verderamo does not disclose the term previous transaction. However, previous transactions have been common knowledge within the accounting art. To have provided the information report to contain previous transactions for Verderamo would have been obvious to one of ordinary skill in the art.
